Rowland Sedgewick wins curling club tournament

On Sunday afternoon at Beaverbrook Golf Club, the Minden Curling Club held their second Golf Tournament of the season. The nine-hole tournament and barbecue attracted 58 golfers, the largest contingent ever to take part. Rowland Sedgewick was the low gross winner on this occasion with a splendid 40. Heed for low gross honours among the girls were Winnie Gilhooley and Peg Pettinger. These two tied at 36, then played three play-off holes and came in at 37, so the Curling Executive decided twelve holes were enough and declared both girls winners.

In the low net competition, J.O. Jackson and Cliff Burke once again tied at the end of the regulation nine holes with 41's, forcing a three hole play-off. These two repeated their performance of last May when they tied for low gross honours and played off, with J.O. winning by two strokes. This time around however, Cliff turned the tables on J.O., winning by two strokes. The low net lady was Joanne Penfold. Runners-up in the men for low net honours were J.O. and Bill O'Bea while for the ladies it was Linda Brandon and Caroline Sturge.

The longest drivers of the tournament were Ada Campbell and Bill Ingram. Closest to the hole on the par three eighth hole was Ed Pettinger (37) and Jean Jackson (36).

In the putting competition, Marj Windover took top honours for the girls while there was a three way tie in the men's competition, forcing a play-off. Les Johnson emerged as winner in the play-off over Herb Gill and Graham Gilhooley.

The most honest golfers of this tournament went to Fred Martin and Elaine Blakey.

After the golfing was over, the curlers and their guests sat down to a barbecue of hamburgers and hot dogs and then relaxed in the clubhouse with refreshments and dancing. The curlers are now anxiously awaiting the beginning of the curling season.

They turned out in droves, some 2,000 of them, and happily jammed Peterborough Lumber's new Minden Building Centre for its official opening last Saturday. They came from Haliburton and Victoria and Peterborough counties and from as far away as Oshawa and Toronto and celebrated by buying out every single sale item. The new \$150,000 PL building on the Minden bypass measures 76 by 188 feet and boasts a 5,000 square-foot showroom. Inventory is in excess of one-half million dollars and includes everything you could possibly need whether you're a do-it-yourself handyman or a contractor. On hand to officially open the new building was Minden Reeve Reg Booth who cut the ribbon with the same gold scissors used by then Premier Leslie Frost to open Minden's present municipal building. According to PL's Minden manager Bob Gorrie the building centre will employ 15 persons during the busy summer months and 8 in the winter with 14 and 7 of these hired locally.
